Social Media Code of Conduct

First Tee Social Media Code of Conduct requires participants to demonstrate the First Tee values in their everyday lives and, in particular, to show respect for oneself, others and your surroundings. This is expected not only in face-to-face situations but also in written correspondence and electronic social media interactions. We consider social media to include all personal websites and all forms of online community activities such as online blogs, social networks, message boards, conversation pages, chat rooms, emails and cell phone texting.

First Tee Social Media Code of Conduct states that while using any social media platform to communicate with other Chapter participants or with anyone about First Tee, you must abide by the First Tee Code of Conduct and the First Tee values. If you are unaware of what the Code of Conduct states, you can review with your chapter, or contact First Tee HQ. Also, the First Tee's copyrighted words, logos and trademarks may not be used in any manner on social media pages without headquarters approval. For example, you cannot create a social media group that appears to be sponsored by First Tee.

It is very important to respect and follow the rules set forth when using any social media platform. If you fail to do so, there will be consequences which may include cancellation of benefits and being prohibited from participating in future participant events hosted by First Tee HQ. Headquarters will also involve parents and Chapter leaders in these discussions as needed. Thank you for your attention to these guidelines.
